

Application to Join the “Citizens for Integrity” Affinity Group

[Complete and mail with donation to Coalition for Integrity, 1023 15th St., N.W. Washington, D.C. 20005]

I hereby apply to participate in “Citizens for Integrity”, an affinity group associated with the Coalition for Integrity.

Through this application, I confirm my commitment to the goals and principles of the Coalition for Integrity as set forth below, and my desire to be part of a group of like-minded individuals from business, the professions, the public sector and civil society, committed to efforts to combat corruption and promote transparency, integrity in public and private life, and the rule of law, domestically and internationally.

The mission of the Coalition for Integrity is to combat corruption and promote integrity and transparency in the public and private sectors. To that end, the Coalition works with a broad network of individuals and organizations who share those goals. The Coalition believes that public trust in democratic institutions is destroyed when government is for sale, denying citizens the right to accountable, responsive government and the rule of law. Corruption is an enormous worldwide problem that raises the costs of education, nutrition, clean water, and health care, and deprives people of essential public services. It disproportionately burdens the poor. It also impedes investment and distorts and undermines economic growth. It can also destabilize societies, creating serious implications for security.

I know of no reason why my participation in this group would cause embarrassment to the Coalition for Integrity or conflict with its mission, or bring it into disrepute. If such circumstances arise, I will promptly withdraw from participation in the group. I understand that the Coalition will also have the right to terminate my participation in the group in such circumstances.

My interests and special skills that could be of use to the Coalition are set forth in the attachment to this document, along with my contact information.

Unless otherwise indicated, my signature below will authorize publication of my name by the Coalition as a participant in Citizens for Integrity on its website or in other public materials

released by the organization. I understand the Coalition will not release contact information for members of the group to any third party without my consent.

I understand that my participation in Citizens for Integrity will be on an annual basis, and that participants in the group are asked to make an annual donation in a requested amount (currently \$100) that will support the activities of the Coalition and Citizens for Integrity.
