

The State Campaign Finance Index 2022

The State Campaign Finance Index 2022 analyzes the laws of 50 states and the District of Columbia relating to the scope, independence, and powers of state agencies which regulate campaign finance, as well as each state’s laws on campaign coordination, campaign contributions, disclosure of those contributions, requirements for transparency of funding of independent expenditures and political advertisements, and the availability of campaign finance information. The Index focuses on laws pertaining to state executive and legislative races.
